MIGRATING THE CLOUD

June 21, 2023

3:00 PM-4:15 PM

Eastern Time

When migrating critical applications to AWS cloud, security is a shared responsibility between AWS and our customers. Prisma Cloud helps customers with their share of that responsibility through increased visibility, security and compliance assurance. Prisma Cloud also integrates with native security from AWS to deliver the best possible security outcomes

CHAIR

Jim Rutt
CIO/CISO
Dana Foundation
