**Driving Manufacturing Efficiency Leveraging ERP AWS
Cloud Solutions - Lessons in Technology
Transformation Strategies**

Join us for an exclusive executive customer conversation event, focused on discussing cloud digitalization strategies to improve ERP processes, optimize operations, cut costs and streamline workflows. Industry leaders and experts will share insights and proven methodologies on how to better migrate and operate critical ERP systems on AWS to become smarter, more sustainable and drive innovation to the business by leveraging cloud technology solutions such as Machine Learning, IIoT, Data Analytics and GenAI. Engage in dynamic discussions, network with peers, and deep dive on how to simplify and accelerate the migration process and managed services for a faster business transformation.
