From Intuition to Impact: Experimentation and AI in the Next Era of Media & Gaming

How do today's leading media, entertainment, and gaming companies balance bold innovation with measurable results? In this executive roundtable, we'll explore how leaders are harnessing AI, real-time personalization, and new monetization models—while grounding their bets in experimentation and incrementally. Join us to discuss how data-driven strategies are shaping customer engagement, unlocking new revenue streams, and future-proofing experiences across platforms. Expect candid conversations, lessons learned, and practical insights you can bring back to your organization.
