Lead Cloud Architect  
[Lancashire Insurance Group](#)

**Vivekananda Patil**  
Devops Lead  
[Infosys](#)

**Jason Hickey**  
Principal Solutions Architect  
[synamedia](#)

## Why This Workshop Matters Now

Are you running OpenAI models in production but questioning their long-term fit? Many teams are exploring migration to AWS Bedrock's foundation models (Claude 3.7 Sonnet, Amazon Nova Pro) to gain better cost control, stronger security, and improved data sovereignty.

This half-day workshop will equip you with the frameworks, tools, and hands-on experience to migrate confidently - without disrupting production.
